RAKE

BigLOAD, Leaf Rake – 30 inch

RK45030

The Corona BigLOAD Leaf Rake allows you to rake up to 2X faster than standard rakes. The unique head design maximizes load capacity and is both lightweight and durable. Optimized handle length allows for fuller leveraged strokes and more material moved per stroke. Get the leaves raked and move on to your next project with the Corona BigLOAD Leaf Rake.

- Rake up to 2X faster than standard leaf rakes
- Unique head design maximizes load capacity
- 30 inch poly head is both lightweight and durable
- 63 inch aluminum handle with anti-slip vinyl grip for gripping comfort in extreme heat or cold

Bow Head Rake 16"

RK20022

- Tempered head for greater durability and long service life
- Curved tines efficiently gather and move soil
- Bow serves as spring for better control of tine depth
- 60" Extra-long fiberglass handle with cushion grip allows working in upright position, reduces back strain

RAKE

8" Fixed 11 Tine Shrub Rake

RK62060

- Tempered spring steel for greater durability and long service life
- Bi-curved bow gives even pressure to all tines for maximum raking efficiency
- Tines apply light pressure for debris removal without damage to plant feeder roots
- Narrow head for working between closely spaced plants
- 2 Rivets hold head to handle
- Double crimps hold tines in place
- 54" Long Lightweight metal handle with anti-slip vinyl sleeved handle for gripping comfort

36" Aluminium Landscape Rake 36 Tines

RK61062

- All-aluminum construction combines durability with ease of use during finish grading process
- Angled, extra-thick tine tips for long service life
- 60" Lightweight aluminum handle with anti-slip vinyl sleeve handle for gripping comfort in extreme heat or cold
- Wrap-around brace support and heavy-duty head

RAKE

30" Aluminium Landscape Rake 30 Tines

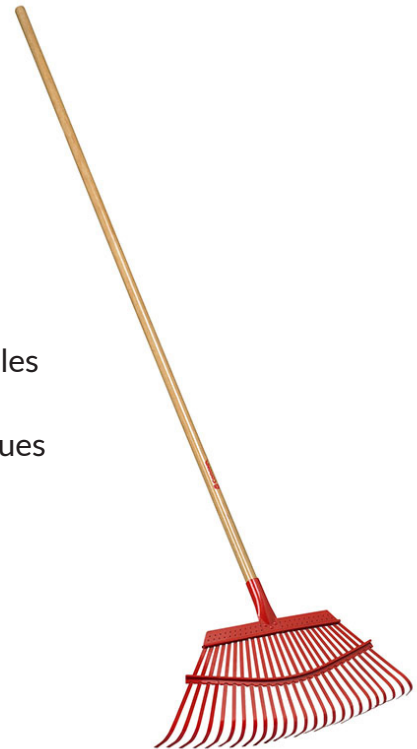

RK61063

- All-aluminum construction combines durability with ease of use during finish grading process
- Angled, extra-thick tine tips for long service life
- 60" Lightweight aluminum handle with anti-slip vinyl sleeve handle for gripping comfort in extreme heat or cold
- Wrap-around brace support and heavy-duty head

19" Fixed 25 Tine Leaf Rake

RK62001

- 18" Wide head ideal for sidewalks, concrete slabs and floors
- Replaceable hardwood head with coarse and medium poly bristles for efficient, single-pass removal of unwanted material
- Scraper blade for removing congealed dirt, gum and other residues from concrete walks and pavers
- Head is bolted to cast-metal socket, which is pinned to handle, cannot twist loose like threaded handles
- Steel braces prevent head wobble and uneven bristle wear
- 60" Long wood handle
