

PYRAMEX ZONE II GREY LENS

SRW3320E

Pyramex Zone II safety glasses offer great protection and excellent comfort in a sports lens style design. Rubber coated temple tips and soft built-in nose pads provide good comfort of wear, while the scratch-resistant lenses also provide 99% protection from harmful UV rays. The Zone II glasses have been built to conform to EN 166 European Safety Standards, giving Class F protection against flying debris travelling at up to 45 m/s.

FEATURES

- Straight back, rubber coated temple tips.
- Soft nose pad and temples provide a comfortable fit.
- Built-in nose pads.
- Scratch resistant polycarbonate lens provides 99% UVA/B/C protection.
